><p>Hiccup? *Kissing noises* Do you wanna be my boyfriend?<p>

Come on; let's go on a date!

I've never really met you before, but you're the one I adore. Please say yes!

We can be something more, but right now we're not. I wish you would just come out!

Do you wanna be my boyfriend? You have to be my boyfriend!

GO AWAY RANDOM PERSON

Okay, bye.

kissing noises

Do you wanna be my boyfriend? Or go on a date?

I think your company is overdue. I started talking of your pictures on my wall!

It gets a little boring, all these boring guys, just watching them all pass by!

Hiccup, please, I know you're in there.

People are asking if we're ever gonna date.

They say have hope, and I'm trying to. I'm right out here for you.
Please, let me in.

I only love you. It's you I love. What am I gonna do?

Do you want to be my boyfriend?

Hiccup comes out and hugs you

Yes, I want to be your boyfriend.
